

200,000 patients worldwide are fitted with a SomnoMed® oral appliance

Since the formation of SomnoMed® in Sydney, Australia in 2004, our history of innovation and commitment to connecting physicians and dentists has enabled us to surround patients suffering from obstructive sleep apnea (OSA) with the products and services they need to return to enjoying their lives - [visit our website to view the SomnoMed® Profile](#)

Introducing Katie Simpson - new Sales Manager to SomnoMed® UK & Ireland

Katie was a nurse for 20 years and after moving into surgical sales 9 years ago she has developed an interest in solutions for snoring and OSA. Through her experience with ENT and Respiriology she has a wide knowledge of surgical and medical developments for assessment and treatment. Katie's experience will enable her to educate our dentists interested in Sleep and snoring ensuring patients are correctly assessed and given appropriate treatment. If you need a sleep dentist in your area please contact Katie on 07779 736 149 or [contact Katie directly via e-mail](#).

The advantages of choosing a SomnoMed® oral appliance

- Titratable controlled mandibular advancement device
- 17 International studies confirm best efficacy of 82% - [click to read full article](#)
