# SomnoMed Dental Workshop Invitation

SomnoMed is proposing to run a practical hands-on workshop on the use of the SomnoDent® devices.

This workshop is aimed at Dentists with an established interest in Dental Sleep Medicine who are already providing mandibular advancement devices and/or have attended a BSDSM or BDA Sleep Course. You will have the opportunity to ask questions regarding fitting our devices, hints and tips to get good results for your patients.

**The day will include presentations on the SomnoMed® range of products like Edentulous, the advantages of offering SomnoDent devices and a hands on practical session using the SomGauge.**

**Location: London - TBA**

**Date: Fri 8th Sept 9.30am -2.30pm**

**The course fee is £54 incl vat payable via internet banking to :-  
SOM UK Bank HSBC Account number **12150263** Sort code [40-04-09](#)**

Please register by mail to [ksimpson@somnomed.com](mailto:ksimpson@somnomed.com)  
or call +44 777 973 6149

We work together as a team to improve our patients' health.

SomnoMed®, is a global leader in oral sleep appliance technology. The company's competence in treating sleep apnea, bruxism and snoring is based on the international SomnoMed® network of qualified dentists. Our common goal is to treat patients successfully. Would you like to join us and take off to a flying start with SomnoMed?
